+1 262 796 3329

Current Responsibility

Zach Fischer is a consulting actuary with the Milwaukee office of Milliman. He joined the firm in 2012.

Professional Work Experience

Zach's area of expertise is property and casualty insurance, particularly in loss reserving and ratemaking / pricing.

He has expertise in numerous lines of business, including aerospace insurance, general liability, professional liability (physicians, hospitals, etc.), and workers' compensation.

Zach has assisted clients with a number of assignments, including:

- Performing reserving analyses for commercial insurers, reinsurers, captive insurers, and self-insured entities
- Assisting in the preparation of Statements of Actuarial Opinion
- Performing prospective funding analyses
- Performing stochastic modeling
- Conducting due diligence support for mergers and acquisitions
- Performing ratemaking / pricing analyses

Professional Designations

- Fellow, Casualty Actuarial Society
- Member, American Academy of Actuaries

Education

BS, Mathematics, University of Wisconsin, La Crosse
