+1 206 504 5777

Current Responsibility

Stephanie Sent is a principal and consulting actuary with the Seattle office of Milliman. She joined the firm in 2004.

Professional Work Experience

Stephanie has 30 years of experience in employee benefits. Her specific area of expertise is the pension field, with a particular emphasis on large and medium-sized clients. She has assisted clients with many aspects of defined benefit plans, including actuarial valuations, projections of costs, plan design, plan administration, financial reporting and expense calculations under FASB ASC Topic 715, and nondiscrimination testing for both defined benefit and cafeteria plans. Additionally, Stephanie has experience performing postretirement medical valuations.
