

Suzanne Taranto

EA, MAAA

Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Sue Taranto is a principal and consulting actuary with the New York Region of Milliman. She joined the firm in 2005 and leads the New York Region Employer Health practice.

EXPERIENCE

Sue has more than 30 years of employee benefits consulting experience. She provides advice on the design and delivery of comprehensive health welfare plans to both corporate and union plans. Sue is an expert in the area of accounting for postemployment benefits and specializes in financial analysis and benchmarking of health plans. She is responsible for negotiating and supporting a number of retiree medical VEBA trusts, and she has significant healthcare bargaining and design experience. She has done extensive analysis on the impact of the Affordable Care Act on employer-sponsored plans.

Sue has held senior positions leading compensation and benefits units of major (Fortune 500) U.S. companies.
