

### Delbert Zamora

EA, MAAA  
Consulting Actuary

---

#### CURRENT RESPONSIBILITY

Delbert Zamora is a consulting actuary in the Milliman Southern Employee Benefits Practice (SEB) based in the Dallas office. He joined the firm in 2009.

#### EXPERIENCE

Delbert primarily serves as a client account manager and develops actuarial staff.

Delbert has worked in many areas of retirement consulting. His expertise includes: due diligence in mergers and acquisitions, post-acquisition actuarial implementation, new client transition, international and U.S. retirement program design, union negotiations, plan terminations, ongoing administration of international and U.S. qualified, retiree medical, and nonqualified retirement programs, and global accounting consolidation projects.

Delbert has also developed internal technical training initiatives and presented before professional actuarial groups.

Prior to joining Milliman, Delbert was a senior manager at Ernst & Young, and a manager at Deloitte & Touche / Deloitte Consulting.

#### PROFESSIONAL DESIGNATIONS

- Enrolled Actuary (EA) under ERISA
- Member, American Academy of Actuaries

#### EDUCATION

BBA, Finance with a concentration in Risk Management & Insurance, University of Texas
